

For your convenience, here is a checklist to help when planning your trip to TALL PINES!

- IGLOO'S
- BAGGED ICE
- HUNTING LICENSE

Hunting licenses can be purchased at Wal-Mart, sporting goods stores, and some feed stores. For more detailed information, please visit Texas Parks and Wildlife at www.tpwd.state.tx.

The following is a list of OPTIONAL items for you to consider:

- CAMERA
Although we do plenty of picture taking ourselves, it's always nice to have extra cameras should we experience any "technological malfunctions"!
- VIDEO CAMERA
Might be nice to have in case you would like record your hunt!
- BEVERAGES
Centerville prohibits the sale of alcoholic beverages, so if you plan to consume any alcohol, please remember to pick it up before you get there.
